Attorneys for Plaintiffs

UNITED STATES DISTRICT COURT

DISTRICT OF IDAHO

CHRIS A. ANDERSON and ADELIA SUE ANDERSON,

Plaintiffs,

vs.

UNITED STATES AIR FORCE

Defendant.

Case No.

VERIFIED COMPLAINT FOR VIOLATION OF THE FREEDOM OF INFORMATION ACT (FOIA)

I. INTRODUCTION

1. This case arises out of the United States Air Force's ("Air Force") repeated failures to comply with the Freedom of Information Act (FOIA).

2. Plaintiffs Chris A. Anderson and Adelia Sue Anderson seek information as to how their daughter, Kelsey Sue Anderson, died while serving with the Air Force. Because of the Air

Force's non-responsiveness to Plaintiffs' reasonable and narrowly tailored FOIA request, Plaintiffs have but no option to file this action.

II. JURISDICTION AND VENUE

3. Plaintiffs incorporate paragraphs 1 through 2 as if pled verbatim herein.

4. This Court has subject matter jurisdiction pursuant to 5 U.S.C. §552(a)(4)(B) and 28 U.S.C. § 1331.

5. Venue is proper under 28 U.S.C. § 1391(e) and 5 U.S.C. § 552(a)(4)(B).

III. PARTIES

6. Plaintiffs incorporate paragraphs 1 through 5 as if pled verbatim herein.

7. Plaintiffs Chris A. Anderson and Adelia Sue Anderson reside in Orofino, Idaho. Plaintiffs' daughter, Kelsey Sue Anderson, died while serving with the Air Force in 2011. Plaintiffs simply seek to obtain the investigative report regarding Kelsey Anderson's death.

8. Defendant U.S. Air Force is an agency of the United States Government under 5 U.S.C. § 552(f) and is headquartered at 1000 Air Force Pentagon, Washington, DC 2003-100. Defendant has possession, custody, and control of records to which Plaintiffs seek access.

IV. STATEMENT OF FACTS

9. Plaintiffs incorporate paragraphs 1 through 8 as if pled verbatim herein.

10. On June 9, 2011, Airman First Class Kelsey Sue Anderson was killed while serving in the Territory of Guam. Ms. Anderson was on duty with the Air Force at the time.

11. From June 10, 2011, through May 22, 2012, the Andersons sought to find out the details of their daughter's death by, *inter alia,* querying the Air Force as to when its investigative report regarding Kelsey Anderson's death would be complete.

12. On or about May 22, 2012, the Andersons received notification that the Air Force's investigation of Kelsey's death was complete. The Andersons were led to believe that a copy of the investigation would be forthcoming. Yet no report came.

13. On or about August 13, 2012, Chris Anderson contacted United States Senator James Risch's office in order to see if Senator Risch could assist in getting the Air Force to produce the investigative report.

14. On August 22, 2012, the Andersons sent a Freedom of Information Act (FOIA) request to the Air Force at the following address:

HQ AFSOI//XILI
Attn: FOIA Section
27130 Telegraph Rd.
Quantico, VA 22134

15. The information sought in the Andersons' August 22, 2012, FOIA request was "a copy of the report of investigation" regarding Kelsey Anderson's death.

16. The address to which the Andersons transmitted their FOIA request was the address that the Air Force promulgated for the purposes of submitting FOIA requests relating to the information sought by the Andersons. The Andersons transmitted the completed FOIA request form to the Air Force via electronic mail, a manner allowed by the Air Force.

17. On or about September 6, 2012, the Air Force responded not to the August 22, 2012, FOIA request but to Senator Risch's inquiry. The Air Force informed the Andersons that the Air Force's Office of Special Investigation's (OSI) investigation regarding Kelsey Anderson was

"closed and was received by the AFOSI File Repository on August 6, 2012," that the report number assigned to Kelsey Anderson's report was AFOSI 602-C-0000A627959111592115, and that the Andersons could submit a FOIA request to the same address to which the Andersons submitted the August 22, 2012, FOIA request.

18. On September 10, 2012, Senator Risch closed his inquiry.

19. From August 22, 2012, to October 2, 2012, the Air Force did not respond, verbally or in writing, to the Anderson's August 22, 2012, FOIA request.

20. On or about October 2, 2013, the Andersons contacted the Air Force's Guam-based OSI detachment. The Andersons spoke with Special Agent Jason A. Larson. The Andersons asked Mr. Larsen about the status of the August 22, 2012, request to which Mr. Larsen replied that he was "not sure."

21. On or about October 3, 2012, Mrs. Anderson emailed Mr. Larsen a copy of the August 22, 2012, FOIA request. Mr. Larsen forwarded the request to AFOSI.HQ.FOIA@ogn.af.mil - - - the same address by which the Andersons transmitted the August 22, 2012, FOIA request months earlier. The Air Force did not respond, in writing, to the re-submission of the Andersons' August 22, 2012, FOIA request.

22. In mid-October 2012, the Andersons received a telephone message from Mr. Larsen. That message stated that "OSI-HD" sent the Andersons a "confirmation letter" on August 28, 2012. The message said that the "confirmation letter" had the tracking number 2012-05810F.

23. The Andersons did not (and have not) received any written response from the Air Force regarding the FOIA request, including the "confirmation letter" referenced in paragraph 22 of this Complaint.

24. On May 13, 2013, the Andersons appealed the Air Force's constructive non-response to the Andersons' August 22, 2012, FOIA request. The Andersons transmitted the appeal via electronic mail to the email address promulgated by the Air Force and by certified mail (Tracking No. 70112000000071469132), return receipt requested, to the mailing address promulgated by the Air Force. Attached hereto as Exhibit A is a true and correct copy of the Andersons' May 13, 2013, FOIA appeal.

25. U.S. Postal Service records reveal that the Air Force received the Andersons' FOIA appeal on May 16, 2013, at 10:54 a.m.

26. Over twenty (20) business days have elapsed since the Air Force received the Andersons' FOIA appeal.

27. The Air Force did not respond to the Andersons' FOIA appeal within twenty (20) business days of receiving the Andersons' FOIA appeal.

28. Pursuant to 5 U.S.C. § 552(a)(6)(A)(ii), the Air Force's response to the Andersons' May 13, 2013, FOIA request was due within twenty working days of May 16, 2013, or by June 14, 2013.

29. As of the date of this Complaint, the Air Force has failed to produce any records responsive to the Andersons' August 22, 2012, FOIA request or demonstrate that the responsive records are exempt from production.

30. Because the Air Force has failed to comply with the time limit set forth in 5 U.S.C. § 552(a)(6)(A)(i)&(ii), the Andersons are deemed to have exhausted any and all administrative remedies with respect to the August 22, 2012, FOIA request per 5 U.S.C. § 552(a)(6)(C).

Re: Appeal re non-response to August 22, 2012, FOIA request
Kelsey Sue Anderson, A1C
Date of Death: June 9, 2011
AFOSI 602-C-0000A627959111592115

To Whom it May Concern:

I. INTRODUCTION

This is an appeal under the Freedom of Information Act (FOIA).

I represent Chris and Susan Anderson, the parents of Airman First Class Kelsey Sue Anderson. A1C Anderson was killed on June 9, 2011, while serving our country in the Territory of Guam. On August 22, 2012, the Andersons submitted a FOIA request to the Air Force. The Air Force did not respond to that request within 20 days. In fact, the Air Force did not respond at all until the Andersons, on or about October 2, 2012, contacted Jason Larsen - - - a Special Agent assigned to the Air Force's Guam-based Office of Special Investigations (OSI) detachment. Shortly after the October 2, 2012, exchange the Andersons received a voice mail from Mr. Larsen that (a) referenced a response letter (that the Andersons never received) and (b) claimed that the Andersons' request would be delayed because of a 240 case backlog.

The Air Force's failure to respond within 20 days of receiving the Andersons' August 22, 2012, FOIA request violates the statute. 5 U.S.C.A. § 552(a)(6)(A)(i). And assuming that Mr. Larsen's October 2012 voice mail response complied with FOIA (it didn't) its reasoning (i.e. the 240 case backlog) is no excuse for FOIA non-compliance.

The Andersons simply seek to understand what happened to their daughter. In order to get that closure the Air Force must follow the law.

II. FACTS

On June 9, 2011, Airman First Class Kelsey Sue Anderson was killed while serving in the Territory of Guam. Ms. Anderson was on duty with the Air Force at the time.

DATE: MAY 13, 2013

RE: FOIA APPEAL

From June 10, 2011, through May 22, 2012, the Andersons relentlessly (yet patiently) sought to find out the details of their daughter's death. To the Andersons' queries the Air Force responded that the investigation was ongoing. The Andersons continued to wait. This letter does not (and cannot) do justice to the anguish the Andersons felt (and feel) while waiting for an official determination as to the cause of their child's death.

Finally, on May 22, 2012, the Andersons received notification that the Air Force's investigation of Kelsey's death was complete. The Andersons were led to believe that a copy of the investigation would be forthcoming. Yet no report came.

On or about August 13, 2012, Chris Anderson contacted United States Senator James Risch's office. Attached hereto as Exhibit A is a true and correct copy of Senator Risch's letter to Mr. Anderson regarding the inquiry.

On August 22, 2012, the Andersons sent a Freedom of Information Act (FOIA) request to:

HQ AFSOI//XILI
Attn: FOIA Section
27130 Telegraph Rd.
Quantico, VA 22134

A true and correct copy of the August 22, 2012, FOIA request is attached to this letter as Exhibit B. The Andersons used the FOIA request form that the Air Force supplied. The Andersons transmitted the completed FOIA request form to the Air Force via electronic mail, a manner allowed by the Air Force.

On September 6, 2012, the Air Force responded not to the August 22, 2012, FOIA request but to Senator Risch's inquiry. Attached hereto as Exhibit C is a true and correct copy of the September 6, 2012, letter. That letter informed the Andersons that the OSI's investigation regarding Kelsey Anderson was "closed and was received by the AFOSI File Repository on August 6, 2012," that the report number assigned to Kelsey Anderson's report was AFOSI 602-C-0000A627959111592115, and that the Andersons could submit a FOIA request to the same address to which the Andersons submitted the August 22, 2012, FOIA request.

On September 10, 2012, Senator Risch closed his inquiry.

From August 22, 2012, to October 2, 2012, the Air Force did not respond, verbally or in writing, to the Anderson's August 22, 2012, FOIA request.

Since the Air Force did not respond to the FOIA request the Andersons contacted the Air Force's Guam-based Office of Special Investigations (OSI) detachment on or about October 2, 2012. The Andersons spoke with Special Agent Jason A. Larson. The

Andersons asked Mr. Larsen about the status of the August 22, 2012, request to which Mr. Larsen replied that he was "not sure."

On or about October 3, 2012, Mrs. Anderson emailed Mr. Larsen a copy of the August 22, 2012, FOIA request. Mr. Larsen forwarded the request to AFOSI.HQ.FOIA@ogn.af.mil - - - the same address by which the Andersons transmitted the August 22, 2012, FOIA request months earlier. Attached hereto as Exhibit D is a true and correct copy of the above-referenced email string. The Air Force did not respond, in writing, to that FOIA request.

In mid-October 2012, the Andersons received a telephone message from Mr. Larsen. That message stated that "OSI-HD" sent the Andersons a "confirmation letter" on August 28, 2012. The message said that the "confirmation letter" had the tracking number 2012-05810F. The Andersons found Mr. Larsen's message troubling because, to this day, the Andersons have not received any written response from the Air Force regarding the FOIA request.

Mr. Larsen's October 2012 phone message further stated that there were 240 FOIA requests ahead of the Andersons' request.

III. APPEAL

A. The Air Force's failure to respond to the Andersons' August 22, 2012, request violates the FOIA.

Under the FOIA a government agency has 20 working days to respond to a FOIA request. 5 U.S.C.A. § 552(a)(6)(A)(i). That response must "immediately notify the person making such request of such determination, the reasons therefor, and of the right of such person to appeal to the head of the agency any adverse determination." *Id.*

Failure to respond within 20 days is deemed a constructive denial that allows the customer to forego the appeal process and sue the Air Force directly in federal court. 5 U.S.C.A. § 552(a)(6)(C)(i)("Any person making a request to any agency for records under paragraph (1), (2), or (3) of this subsection shall be deemed to have exhausted his administrative remedies with respect to such request if the agency fails to comply with the applicable time limit provisions of this paragraph."); *Oglesby v. U.S. Dep't of Army*, 920 F.2d 57, 61 (D.C. Cir. 1990).

The Air Force did not respond to the Anderson's August 22, 2012, request within 20 days. In fact, the Air Force has not responded at all. And Mr. Larsen's response does not comply with FOIA as it (a) was not within 20 days of the August 22, 2012, request - - - it came months later (if at all) - - - and (b) did not inform the Andersons that they had the right to appeal as set out in 5 U.S.C. § 552 (a)(6)(C)(i).

Since the Andersons wish to avoid filing a federal lawsuit they, one more time, request that the Air Force, within 20 days, respond to the August 22, 2012, request and produce the requested documents.

B. The Air Force's "backlog" is no excuse for failing to produce the records.

Assuming that what Mr. Larsen said was true, such a backlog is no excuse for the Air Force's failure to respond to the Andersons' August 22, 2012, request. The Ninth Circuit Court of Appeals - whose legal decisions will control should the Andersons sue the Air Force for its repeated FOIA violations - consistently holds that the "backlog excuse" is not valid. *See Fiduccia v. U.S. Department of Justice*, 185 F.3d 1035, 1041 (9th Cir.1999). In fact, a federal court in Illinois, citing *Fiduccia*, found that the U.S. Department of Energy's "back log" excuse violated the FOIA. *Donham v. U.S. Dep't of Energy*, 192 F. Supp. 2d 877, 882 (S.D. Ill. 2002)("[T]his Court does not accept Defendant's argument that a backlog of requests qualifies as 'exceptional circumstances'" under FOIA.)

Further, the Andersons' request is not burdensome at all. It seeks "a copy of the report of investigation regarding...A1C Kelsey Sue Anderson, SSN 518-41-6658." The Air Force acknowledges that the report was received "by the AFSOI File Repository on August 6, 2012." The Air Force acknowledges that the report has a number. What that means is that the Air Force knows exactly where the report is and can quickly obtain it.

The Air Force is required to make a "determination" on the merits of this FOIA appeal within 20 working days of receipt. 5 U.S.C. § 552(a)(6)(A)(ii). Please do so.

RE: FOIA APPEAL

IV. CONCLUSION

In the event this appeal is denied, the Air Force is required to provide a written response describing the reasons for the denial, names and titles of each person responsible for the denial, and the procedures required to invoke judicial assistance in this matter. 5 U.S.C. § 552(a)(6)(ii). As noted above, time is of the essence in this matter, if this appeal is denied or the Air Force's response is not forthcoming within 20 working days, we reserve our rights under FOIA to seek judicial review, including the award of attorneys' fees. We await your prompt reply.

Very truly yours,

Dear Senator Risch:

This is in reply to your inquiry on behalf of Mr. Chris Anderson regarding his request for a copy of the investigation surrounding his daughter's death.

The Air Force Office of Special Investigations (AFOSI) advise they conducted an investigation into the death of Mr. Anderson's daughter, Kelsey S. To receive a copy of this investigation under the Freedom of Information Act (FOIA), AFOSI recommends Mr. Anderson complete a Verification of Identity Form available on the AFOSI website at http://www.osi.af.mil/library.asp.
